

# RECOMMENDATIONS

## PREVENTING COVID-19

### Wash your hands regularly

with soap and water.

### Sanitize your hands

using hydroalcoholic gel.

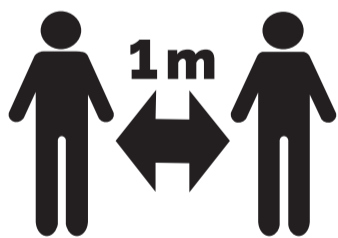

### Sanitize your work station

regularly using wipes or sanitizing products.

### Use your own pen

to minimize points of contact.

### Respect social distancing

1 m / 6 feet  
between each person

### Wear a surgical mask

when social distancing is not possible.

**MAKE SURE THAT SAFETY INSTRUCTIONS  
& BARRIER GESTURES ARE STRICTLY ENFORCED**
